At the same time please point out that the Collection made by the Shekdars during 3 months amounted to only Rs 1296 leaving an arrear of Rs 18778 unrealised together with a further balance of Rs 21053 out of current demand for the past year under the circumstances the work turned out by the Special Collection Staff can hardly be regarded as satisfactory

Sir,

I have the honour to forward a copy of the resolution of the Council passed at the general meeting held on the 30th ultimo, approving the continuance for six months of the temporary staff of 5 sheikdars on a pay of Rs.15 each per month.

This temprary staff was first entertained for 3 months with effect from the 1st of April 1910 at the recommendation of the Special Duty Amildar and the result has been that the collections have since greatly increased. The period of 3 months having expired, the Special Duty Amildar represents that it is necessary to continue the staff for six months more as the Government Order laying down that taxes shall be collected in half yearly instalments in advance, has greatly added to the work of collection. Further, it is under contemplation to cause a general revision of taxes in the City and much of the work in the City connected with the Census operations has to be done by the collection department of the Municipal office. It seems to me desirable, therefore, to continue the temvorary staff for a further period of six

six months and I accordingly request you to kindly move the Government to sanction the continuance. The additional cost will be met by reappropriation in the current year's budget.

I have the honour to be,

S i r,

Your most obedient servant,

President.
